Property Owner (In whole or part): Dansco, LLC

LAND USE RESTRICTIONS ("LUR") UPDATE

LUR 1: No use may be made of the Brownfields Property other than for retail and commercial businesses, including restaurants and warehousing/distribution firms, and medical and other office space. For purposes of this restriction, the following definitions apply:

- a. "Retail" refers to an activity the principal purpose of which is the sale of goods, products or merchandise directly to the consumer.
- b. "Commercial" refers to an enterprise carried on for profit by the owner, lessee or licensee.
- c. "Office" refers to a use or structure where business is conducted or professional services rendered.

LUR 3: No activities that encounter, expose, remove or use groundwater (for example, installation of water supply wells, fountains, ponds, lakes or swimming pools, or construction or excavation activities that encounter or expose groundwater) may occur on the Property without prior sampling and analysis of groundwater to the written satisfaction of DENR in any areas proposed for such activities, and submittal of the

analytical results to DENR. If such results disclose to DENR contamination in excess of North Carolina's groundwater quality standards, the proposed activities may not occur without the prior written approval of DENR on such conditions as DENR imposes, including at a minimum compliance with plans and procedures, approved pursuant to applicable law, to protect public health and the environment during the proposed activities.

LUR 4: Soil within the area denominated "Area of Possible Soil Contamination" on the plat component of the Notice of Brownfields Property ("Notice") may not be exposed without a minimum of seven (7) business days advance written notice to DENR, unless DENR states otherwise in writing in advance. At the time such soil is exposed, DENR may inspect and sample, or require sampling of, the exposed soil for contaminants. If soil contamination is discovered that DENR determines would likely contaminate groundwater even if capped, or that may pose an imminent threat to public health or the environment if exposed, as much soil as DENR reasonably requires shall be removed and disposed of in accordance with applicable law, and any other actions that DENR reasonably requires to make the Brownfields Property suitable for the uses specified in the Brownfields Agreement ("Agreement") while fully protecting public health and the environment shall be taken. If soil contamination is discovered that DENR determines would not likely contaminate groundwater if capped, or likely pose an imminent threat to public health or the environment if exposed, as much soil as DENR reasonably requires shall be removed and disposed of in accordance with applicable law or capped to the written satisfaction of DENR.
